MISS WOODWORTH FIRST WASHINGTON WAR BRIDE

Weds Ernest S. Shipley, National Guardsman, Who Is Under Marching Orders.

The distinction of being the first of Washington's "war brides" is said to belong to Miss Florence M. Woodworth, Wenty years old, of 1252 Talbert street, inacostia. Ernest S. Shipley, who attained his majority last April, is a member of the National Guard, and when the mobilization order of President Wilson was issued last Sunday was averse to starting on his "way to the war' without making Miss Woodworth his bride.

They were planning a ceremony a little later in the month, but as the absence of the "groom-to-be" was made indefinite by the preparedness order young Shipley prevailed on his sweetheart to have the wedding before he reported for camp this after-

It took some hustling to get things ready, and as Rev. Verona A. Lonier, pastor of Anacostia M. E. Church, who was to officiate, had not been authorcense counter. The pastor, however, cense counter. The pastor, however, hurried to city hall and secured from Col. William A. Kroll the necessary authorization and the marriage license. The ceremony was performed at the bride's home, and after a tearful leave-taking the young soldier hastened to the armory to report for duty, and marched away with his regiment to Radio. Va. the site of the mobilization camp, as the band played "The Girl I Left Behind Me."

Another "War" Wedding.

The separate battalion also furnished an applicant for a marriage license today. James L. Taylor, colored, twenty-two years old, a member of the guard, secured a license to marry Edith Milburn, twenty-three years. Rev. Walter H. Brooks performed the cere-

THREE NEW REGIMENTS NOW RAPIDLY FORMING

First Battalion of Engineers Leaves Washington Barracks for Fort Sam Houston.

Three regiments of engineers, author ized by the army reorganization act, are in process of rapid formation, and will be organized and ready for service July 1, when the law takes effect. Two of these regiments are being organized on the Mexican border and the third in the Philippines, with the existing bat talions of engineers as the nuclei.

The first and second regiments being organized on the Mexican border will be commanded, respectively, by Col. Mason M. Patrick, now in charge of the Detroit engineering district, and Col. George A. Zinn, now in charge of the Philadelphia engineering district. Col. Patrick is ordered to Fort Sam Houston, Tex., and Col. Zinn to Colum-bus, N. M., which will be their permanent headquarters unless their troops are ordered into Mexico for the defense of the Pershing expedition.

Leave Fully Equipped for War.

The 1st Battalion of Engineers at barracks, commanded by j. W. P. Wooten, will form part of new 1st Regiment, with station at rt Sam Houston. All the troops of at battalion at the barracks, about at battation at the battacks, about 10 in number, left this city this afternon for Texas, fully equipped for war anything less serious. Company D
that battalion is at the training type at Plattsburg, N. Y., and probably ill be allowed to remain there unless ar breaks out. Two trainloads of pontoons and bridge

ulpinent for use in building military idges across the Rio Grande already ave gone forward from the local enave gone forward from the transfer depot, and only await the arrival of the troops in Texas. Maj. Westen was in command of the troops Weoten was in comm that left here today.

FAREWELL PARTY GIVEN NATIONAL GUARDSMEN

Hyattsville Company Officers and Men Entertained Prior to Departure for Mobilization Camp.

Special Correspondence of The Star.
HYATTSVILLE, June 20.—Preceding their departure for the Maryland National Guard mobilization camp at Laurel, this county, today, the officers and men of Company F, the Hyattsville company, were tendered a farewell party by residents of this town last night. N. G. Dudrow and Councilman George M. McFarland were in charge of arrangements. Following an exhibition drill of about half an hour through the principal streets of the town, the company laid aside rifles and, headed by Mayor John G. Holden carrying "Old Glory," and the band from the National Training School for Boys, marched to the lawns of Capt. V. W. Duvall, on Maryland avenue, where they listened to speeches and were served refreshments by women of the town and members of the local troops of Boy and Giri Scouts.

List of Speakers.

Arriving at the scene of festivities, Mayor John G. Holden made a few introductory remarks, and after the "Star Spangled Banner" was played brief speeches were made by Dr. Charles A. Wells, a former mayor; former Mayor Edward Devlin, T. Howard Duckett, Judge John Gibson, Councilman Charles W. Clagett, former Mayor W. P. Magruder, Dr. Guy W. Latimer, H. B. Matchett, editor of the Mount Rainier Times, and Harry M. Shepherd. A dis-Dudrow was a feature. J. F. Rushe entertained the boys at motion pictures.

The company probably will have more than one hundred men in its ranks when it leaves here today, about twenty recruits having enlisted during the past two days. First Lieut. Thompson A. Lyon will remain here for at least two weeks to receive the applications of others who desire to join. Wells, a former mayor; former Mayor

Each Married Man's Case Decided on Its Merits

The War Department has received many inquiries as to what narried men who are members of the National Guard. Although most officials were inclined to believe that leaves should be granted those who can show that their bsence from business would be s privation to dependent families. It was pointed out that each case must be presented separately and would be decided on its

CAMPAIGN ECHO IN SENATE.

Request Made for Printing Convention Speech as Public Document. The first word in the Senate of the pending presidential campaign was uttered today by Senator Overman in asking unanimous consent to print as a public document the speech of Sen-ator Oille James at the St. Louis con-

Senator Smoot said there had been Senator Smoot said there had been requests presented to him for prints of speeches at the republican convention, but he doubted very much if the speeches at either convention should be printed and circulated at public expense. Upon his insistence Senator Overman's request was referred to the joint committee of the House and Senate on printing.

MANY EAGER TO ENLIST IN THE NATIONAL GUARD

Recruiting Stations Besieged by Applicants for Admission to D. C. Organization.

With several hundred new enlist ments to their credit, as the result of work yesterday, the National Guard reruiting stations throughout the city remained open today to all who wished to enlist, with the exception of the general recruiting station at 1225 Pennsylvania avenue, which closed after having done a "land office business" un til a late hour last night.

Crowds of young men besieged the armory at 472 L street northwest this morning, where most of the recruiting is going on today, among the men being many below the enlistment age of eighteen years. The fact that they were not eligible did not make them any the less eager to make out papers, however, and many of them appeared only to be turned down by the officers in charge.

Recruiting Continues Today.

General recruiting headquarters today

cruiting station at the L street armory. Until closing time near 12 o'clock last night each had enlisted approximately twenty men, and the corridors of the building were crowded with a mixture of stalwart "honest to Injun" soldiers and green but earnest looking "rookies"

Exact Figures Not Obtainable. Recruiting officers were unable to make today any exact statement as to the number who have enlisted to date. It is pointed out that the total number of men who filled out blanks does not represent the number of men who will represent the number of men who will be enlisted, as they not only had to pass a rigid physical examination upon signing the papers, but also will have to pass a more severe physical test at the hands of regular army surgeons during the mustering-in period at Fort Myer.

Scores of applicants were noticeable because of their youthful appearance, a large percentage of the papers being signed by young men between the ages of eighteen and twenty-one years.

SPANISH WAR VETERANS OFFER THEIR SERVICES.

he District National Guard, has received the offer of the services of 300 veterans of the Spanish war. The offer by Adjt. Gen. Jere Costello, acting for Commander-in-Chief L. C. Dyer of the

Inited Spanish War Veterans. "We have 300 men ready to go with you if you will say the word," Mr. Cos-tello told Gen. Harvey. "This offer is made without any strings to it. We offer our men as enlisted soldiers—not officers. You can put any officers you please over them. They are all veter-ans, and know how to take care of ans, and know now to take care of themselves in the field."

Gen. Harvey expressed his thanks for the offer and informed Mr. Costello that so far he did not know just what the plans of the War Department were regarding the District National Guard. He stated that if more men are needed he will give Spanish war veterans the

Advisers and Authorities on All Foot Troubles

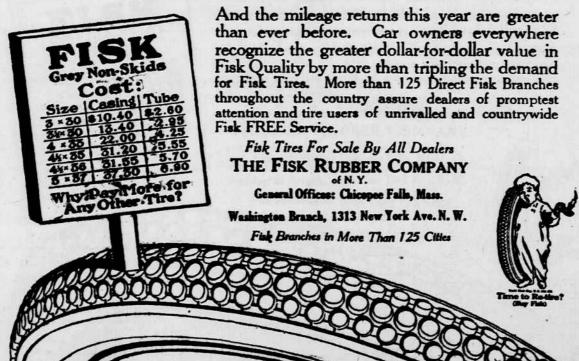

If You Suffer From Backache, Lumbago, Kidneys or Rheumatism Take Hot Water and "ANURIC"

American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid, which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog, and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, when your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night, when your suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your druggist—"ANURIC." Because of uric acid in over-abundance in the system, backache, pains here and there,
